About us

Neo Spark Consulting LLP, is co founded by Navin Mudbhatkal, who has vast experience of more than 25yrs in retail organization, supply chain, vendor management, quality sourcing , reseller and customised products sourcing for brands and organisational requirements. We have tie ups with good organised and unorganised manufacturers and suppliers in India and overseas, hence Neo Spark will be one stop sourcing solutions for our clients requirements. Products sourced by us can be delivered any where across India and overseas.

*Terms and conditions as per agreement applicable
